Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The applicant amended claim 6 to specify that the back iron does not contain any wires. In addition, the examiner suggested to recite that the wires in the magnetizer are disposed circumferentially. Prochazka shows the back iron with wires and all of the wires are disposed radially. The amendment at least overcomes the rejection of claim 6.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)

If a reply to the last Office action has already been filed, APPLICANT IS GIVEN ONE MONTH FROM THIS INTERVIEW DATE, OR THE MAILING DATE OF THIS INTERVIEW SUMMARY FORM, WHICHEVER IS LATER, TO FILE A STATEMENT OF THE SUBSTANCE OF THE INTERVIEW.
